SUBJECT: Draft Comprehensive State Plan 2010-2016

The Virginia Department of Behavioral Health and Developmental Services has completed a draft of its Comprehensive State Plan 2010-2016. This plan builds on the work of the Department's transformation efforts and identifies future directions for Virginia's publicly-funded behavioral health and intellectual disabilities services system. Additionally, the plan proposes specific actions for addressing critical issues and includes a summary of resources required to address identified system gaps or deficiencies.

The text of the complete draft plan and an executive summary are available [here](#). The public comment period for the Plan will extend through November 20, 2009.

The Board of Behavioral Health and Department staff will conduct a videoconference public hearing on November 17, 2009 to receive comments on the draft plan. The hearing will begin at 1:30 p.m. and will continue until all comments are received. There will be four sites where the public can participate in the hearing:

Eastern Hospital in the Williamsburg

Southern Virginia Training Center in Dinwiddie
Southwestern Mental Health Institute in Marion
